

# BASE (A) ZOOM 18 SMASH

PLAY CONCEPT:

Packages of A-11 play formations are perfect for teams running the spread option offense. With some slight adjustments and utilizing motion you can run all the (2x2) and (1x3) passing routes in your own playbook. In “Base 18 Smash” we tighten down our ineligible (R) to help with our pass protection, run the (A) in zoom motion and run a (1x3) Smash combination with Sprint motion. Pre-Snap Scatter to this formation, shift from the (2 x 2) Eagle formation, or explode from a Double Tight set to surprise the defense.
