

THE SWINGING GATE

LEFT FOR DEAD BY THE NFHS, THIS COACHES FAVORITE IS BACK N 2009

Q1 & Q2 @ 4-5 YDS DEPTH

PLAY CONCEPT:

The purpose of this 2-Point (or) short yardage play is to give the offense multiple choices for attacking the defense depending on alignment. Scatter to this formation and pack your (5) ineligible #50-79 where shaded in the formation. With (5) ineligible in the game and aligned on the LOS, the 2009 scrimmage-kick rule change does not apply and you may legally run this play.

(Q1) starts his reads from right to left. When (B) goes in motion, if the (C) does not follow, hit (B) on the Arrow route or take it left to the goal line. If the (C) goes with (B) option the (T) right or hit the Center on the corner route. If the defense overloads to the ball at the snap, hit the quick screen to (A) left. If everyone comes hard, hit the Center on the Corner. Lots of choices.
